RE: Coronavirus Response and Relief Supplemental Appropriations Act (CRRSAA)  
Student Emergency Grants

SPC Students,

On behalf of the Board of Regents, the administration, faculty and staff, SPC hopes that you continue to be safe and healthy during this challenging time of learning. South Plains College received our allocation of funding through the federal Higher Education Emergency Relief Fund II (HEERF II) of Coronavirus Response and Relief Supplemental Appropriations Act, 2021 (CRRSAA). The CRRSA Act provides funding for expenses related to the continued disruption of college operations due to COVID-19 pandemic.

In order to receive funds, an application will be required. Within a few business days of receipt of the application, you will receive a contact regarding the status and amount awarded. Please be sure to include a good contact number and ensure the voice mail is set-up and has space for messages. All email communication will occur through your @southplainscollege.edu email account.

For more information on CRRSA including your eligibility and the link to the application, please visit <https://www.southplainscollege.edu/admission-aid/paying-for-school/financial-aid/crrsaa.php>. Please note that awards are contingent upon federal funding.

The past year and the start of 2021 has been challenging for you as students as you navigate college life and disruption to your personal and professional lives. SPC understands your struggles. Please know we are here to support you through your time at SPC.
