See instructor's course information for specific grading criteria to evaluate student performance.

### **Attendance Policy**

Each student is expected to participate in each class. If a student is absent from class, proper documentation must be provided to the instructor to receive an excused absence. Excessive absences will result in the student being dropped from the class.

Online classes will be self-paced by the student. Each student will have a specific period of time to complete the posted quizzes and exams. Each quiz/exam will be open from midnight Sunday until the following Sunday. If there are any issues with the quiz/exam, please contact the instructor **immediately** so a solution can be achieved. 2. Describe and explain the impact of various factors impacting the development of cultures through history.
3. Demonstrate an understanding of the interactions of various cultures through history and their impact on the development of neighboring and later cultures.
4. Develop a better understanding of current situations impacting the region.

### **Course Management**

1. A student with a disability, including but not limited to physical, psychiatric, or learning, who wishes to request accommodations should contact the Disability Services Office within three weeks after the semester begins so appropriate arrangements can be made. In accordance with federal law, a student requesting accommodations must provide appropriate documentation of the disability. For more information, please call or visit the Disability Service Office in the Student Health & Wellness Office or call 806-716-2577.

2. Assignment extensions and make-up examinations will be made on a case-by-case basis and granted at the discretion of the instructor. A significant and verifiable reason must exist. If an assignment or exam is missed, please contact the instructor by phone or e-mail. For consideration for an extension or make-up exam, the student must contact the instructor before the due date.
3. **Academic dishonesty will not be tolerated!** Each student is to be familiar with South Plains College's policy on academic integrity. Any violations of these policies will be dealt with in accordance with the current South Plains College policy. If there are questions regarding this policy, please contact your instructor.
4. The syllabus is a living document and can be changed at any time at the discretion of the instructor. If changes are made, the changes will be announced in class and the updated syllabus will be posted on Blackboard.
5. Each student is in class to learn. Please respect your fellow students and do not be a distraction during class. The instructor reserves the right to dismiss a student from class for disruption of the learning environment. Examples include eating, talking to others, inappropriate behavior, distracting use of a mobile device, or any other distractions disruptive to a good learning environment.
6. Cell phones are to be placed in a backpack, purse, or other location out of site of the student. All notifications are to be silenced, including vibrate. If you are required to monitor your cell phone for work or other reasons, please discuss this with the instructor before class.
7. Classes will begin promptly at the scheduled time. Studies have shown class attendance and participation reflect a higher grade at the end of the semester. An excused absence does not relieve you of meeting all course requirements. If you are unable to attend class, please notify the instructor ahead of time and/or provide the instructor with an approved excused absence. Excessive absences can result in your dismissal from the course.
8. Plan ahead. If you need to leave class early or be late, please communicate this with your instructor and provide minimal distraction when arriving or departing the classroom.
9. Online courses are designed to be completed within a specified time period. The classes are self-paced, but time management is very important and the student must plan accordingly to complete the assigned coursework, quizzes, and exams in the scheduled time period.

### **Course Expectations/Policies**

1. The classroom is a learning environment. This space is understood to be a location where all are respected and all participants will conduct themselves in a mature and courteous manner permitting open and honest discussion no matter the mannerism, idea, opinion, or belief.
2. College is a privilege, not a right! Take advantage of this opportunity.
3. *Attendance in a college class means active participation in the class.* Ask questions, take notes, raise points for discussion, engage the instructor and your classmates. You will benefit the more you are engaged.

## Grading

- Grading will be based on the results of:
  - Three examinations
    - Exam #1 – 100 points
    - Exam #2 – 100 points
    - Exam #3 – 100 points
  - Assignment
    - One assignment – 5 points
  - Project presentation
    - Project proposal – 20 points
    - Project presentation – 80 points
  - Quizzes
    - 14 quizzes – 5 points each for a total of 70 points
  - Total possible points for the class = 475 points
    - Final grades will be determined by dividing the number of points earned during the semester and dividing it by 475.
      - For example:
        - Exam #1 – 88
        - Exam #2 – 92
        - Exam #3 – 94
        - Assignment – 5
        - Quizzes – 65
        - Project presentation - 85
        - $88 + 92 + 94 + 5 + 65 + 85 = 429$
        - $429 \div 475 = .903 \times 100 = 90.3$
- Exams and quizzes will consist of multiple choice and true/false questions.
- The grading scale will be:
  - $100 - 90 = A$
  - $89 - 80 = B$
  - $79 - 70 = C$
  - $69 - 60 = D$
  - $< 59 = F$
- Extra credit will be offered at the discretion of the instructor. Extra credit will be offered to the entire class.
  - If a student receives a final grade ending in .5 or higher, the grade will be rounded up to the next whole number (e.g.: 89.5 would be rounded up to 90).
  - If a student received a final grade ending in .4 or lower, the grade will be rounded down to the previous whole number (e.g.: 89.4 would be rounded down to 89).
- All assignments and other coursework will be turned in on Blackboard or uploaded to the link provided in the “Course Resources” section on Blackboard. Due to an increase in phishing, assignments e-mailed to the instructor will not be accepted.

### **Late Assignments & Extra Credit**

- If extra credit is offered, it will be due on the specified day. If the work is late, the student will not receive credit for the extra credit work.
- No late work will be accepted without an approved excuse. Please see the SPC General Catalog under “Class Attendance”  
[http://catalog.southplainscollege.edu/content.php?catoid=52&navoid=1492&hl=absence&returnto=search#Class\\_Attendance](http://catalog.southplainscollege.edu/content.php?catoid=52&navoid=1492&hl=absence&returnto=search#Class_Attendance)
  - This will also apply to the missing of quizzes or exams which are open for a limited period of time. If you are unable to access a quiz or exam during the time it is open, it is the student’s responsibility to contact the instructor immediately to rectify the situation.

### **Course Materials**

The materials for this course are all open source. The student will need access to a computer to be able to view the referenced materials and videos used during the course. The material and videos links will be posted on Blackboard.

### **Drops and Withdrawals**

- From the South Plains College Catalog page 21, “Any student withdrawing from all classes on the Levelland Campus must report in person to the Advising Center in the Student Services Building for a withdrawal form. Instructions for obtaining a clearance from some departments of the college will be given at this time. Students who wish to drop a course or withdraw from classes at the South Plains College Reese Center must report, in person, to the Advising Center at the South Plains College Reese Center building 8 for a withdrawal form. Students at the Byron Martin Advanced Technology Center should contact the advisor at the center for the withdrawal from. Students at the Plainview Extension Center must contact the Counseling Office in person for a withdrawal form. Students who stop attending a class should go through the procedure for dropping a course; otherwise, they may be administratively withdrawn for lack of attendance and their record will show an “X” or “F” instead of a “W.” Failure to follow college policy by withdrawing according to this procedure will be reflected on a student’s transcript by the presence of “X” or “F” marks, as determined by the instructor. It is the student’s responsibility to verify administrative drops for excessive absences through his or her student online account with Campus Connect. A mark of “W” will be given for student-initiated drops or withdrawals that occur prior to and through “The Last Day to Drop” as indicated in the online academic calendar. A student who quits attending class and is administratively withdrawn from class will receive a grade of “X” or “F” as determined by the instructor through “The Last Day to Drop” as indicated in the online academic calendar. A student administratively dropped by the instructor may be reinstated, with the approval of the appropriate instructor. A student must initiate a request for reinstatement within seven (7) calendar days of the official date of drop by personally contacting the course instructor.”

- Dropping the course: The student must drop this course at the South Plains College registrar's office (there is no on-line drop system so on-line students must take care of this in person at the registrar's office). This is an official procedure which is described in the South Plains College Catalog. Only the student can initiate the drop and it must conform to the procedure for dropping a course. Failure to initiate and finalize the drop procedure will result in an F grade on your transcript. The drop cannot be made retroactive. The drop date can be found on the South Plains College calendar.

This includes the submission of work completed by another individual or the purchase and submission of materials completed by another individual as your own work.
